STATEMENT OF ACCURACY

I hereby affirm that all the above stated information provided by me to The Chemours Company Future of Chemistry Scholarship Program is true, correct, and without forgery. I also consent that my picture may be taken and used for any purpose deemed necessary to promote the scholarship program.

I hereby understand that if chosen as a scholarship winner, according to scholarship policy, I must provide evidence of enrollment/registration at the post-secondary institution of my choice before scholarship funds can be awarded.

Signature of scholarship applicant: _____ Date: _____

¡CLARO! Future of Chemistry Scholarship Application 2022 — Continued

PROCESS

- Potential scholarship recipients must complete the scholarship application and email it to CLARO.Chemours@Chemours.com along with all supporting documentation by the established deadline of **March 15, 2022**. Scholarship decisions will be made by Spring 2022.

CRITERIA

- Applicants for the ¡CLARO! Future of Chemistry Scholarship must be of Hispanic or Latinx ethnicity.
- Applicants must be completing or have completed high school successfully with a minimum GPA of 3.0 on a 4.0 scale.
- Applicants must be accepted as a full-time student at a college or university for the upcoming academic semester. If scholarship money is awarded, this is the only program that will receive the funds on behalf of the applicant.
- Applicants must plan to pursue studies at a college or university in the United States.
- Applicants must plan to pursue studies in a field associated with STEM, Mechanical Integrity/Quality Assurance, technical or operations manufacturing.
- Applicants must be a citizen or legal permanent resident of the United States.
- Applicants must complete and submit a scholarship application by **March 15, 2022**.

AWARD

- Chemours awards scholarships based on a comprehensive evaluation process conducted by a cross-function committee drawn from the Chemours Vibrant Communities and Philanthropy Leadership Team, and ¡CLARO! Leadership Team.
- Areas that are reviewed by the committee include, but are not limited to, the following:
 - Academic Accomplishments
 - Reference letters
 - STEM and future career aspirations expressed through above answers.
 - Financial Need
- Chemours will pay the scholarship fund directly to the educational institution.
- Scholarships are awarded annually, and are based upon the availability of funds and additional qualifying criteria.
- Maximum scholarship amount is \$5,000.

SCHOLARSHIP ADMINISTRATION

- The Chemours scholarship committee will lead the process for receiving and reviewing applications, selecting recipients, and making scholarship awards. The committee working together will read applications, determine the best candidate(s), and then vote for approval. We will then notify the recipient(s) and award the scholarship funds via phone call and official letter.

ACKNOWLEDGMENT AND RELEASE

I have read and understand the criteria and requirements and agree to all. I understand that lack of fulfillment of these criteria may result in the loss of the award.

As a condition of scholarship receipt, I give permission to The Chemours Company to use my name, photos, video imagery, video audio, interview content and other materials about me for promotional, publicity, marketing, or organizational purposes.
